

BUY ONE NVQ AND GET ONE FREE

CAT Solutions has a proven track record of delivering high quality apprenticeships, vocational qualifications, bespoke courses as well as functional skills qualifications to the construction sector.

Our Black Friday sale will allow you to increase your onsite competence and compliance as well as making a cost saving for your business

BLACK FRIDAY SALE

We can offer: Construction Senior Management, Construction Site Management, Construction Site Supervision, Occupational Work Supervision, Plant and Lifting Operations as well as Craft and Trade NVQs.

The free qualification must be a lower level than the paid for qualification.

We understand the demands, requirements and culture of your sector, and can deliver flexible training solutions that work for you.
